COMPARATIVE EVALUATION OF CANDIDATES AND JUDGING COMMISSION

1) The Commission will proceed to the selection through a selective evaluation of the curricula and the qualifications, taking into account the following elements:

- a) Educational qualifications and professional qualifications
- b) experiences already done in the sector of the activity

Each member of the Commission will make his own evaluation by giving a vote from 0 to 30.

A ranking list will result from the arithmetic average of the marks obtained from all the members of the commission: only candidates who have obtained an average score of no less than 21/30 will be admitted to the second phase of the comparative procedure.

2) Interview for the verification of the requirements

The Commission will publish on the website the list of those admitted to the second phase as well as the schedule of the job interviews, which will probably take place in May remotely.

Each member of the Commission will make his own evaluation assigning to each candidate a vote from 0 to 30.

The selection will be awarded on the basis of the highest grade.

The score assignment carried out in the first phase is intended solely for the purposes of admission to the interview, without any influence on the final evaluation.

In the case that the candidate renounces the job, the same will be proposed to the second in the ranking and so on.

The Evaluation Committee reserves the right not to assign the assignment if none of the candidates presented is deemed fit for the tasks.

The evaluation procedure will end with the consequent stipulation of the service agreement, subject to prior approval by the Executive Academy Committee

The selected name will be published on the ACADEMY website no later than 7 days from the date of assignment.

PERSONAL DATA PROTECTION

The Academy will process all personal data present in the application just for the participation of the candidates to the present job selection.

The legal basis of the data treatment is on Art. 6.1 letter "e" and in art.9 and 10 of the GDPR.

The Data Controller will be Paola Vidotto, whose contact details are:
